Welcome Smith Family

As Mayor of the City of Jamestown, I extend a warm welcome to you as you gather for your family reunion. Having family members come together and spend time sharing and remembering family history is a remarkable experience.

The family structure is the very foundation on which any society stands and grows strong. The gathering for family reunions celebrates the importance of staying together, no matter how near and far you must travel to come together as one.

I am thrilled to hear that you have chosen the City of Jamestown for your reunion. I sincerely hope that you will have a fantastic time and take the opportunity to visit our museums, beautiful parkland, and fantastic restaurants that we have to offer in the City.

Best wishes for a successful and memorable reunion in the City of Jamestown.

Very truly yours,

CITY OF JAMESTOWN

EDWARD A. SUNDQUIST
