JAMESTOWN POLICE DEPARTMENT

MESSAGE FROM CHIEF JACKSON

The Jamestown Police Department has seen considerable change and continues to progress in 2021. The police department now has two Assistant District Attorney's staffed in the department. The attorneys now provide support to the police department as well as handle specific City of Jamestown cases. We have also started the Jamestown Police Department Mentoring program, which helps local youth with role models and positive interaction with police officers. Our comfort dog, "Hope", continues to have a tremendous impact on victims as well as serve as a bridge between the police and the community. The Police Reform Committee, chaired by Councilwoman Tamu Graham-Rhinehardt, continues to meet to discuss topics related to the NYS Police Reform executive order which was completed by our department in April of this year.

The officers of the Jamestown Police Department have taken the initiative to enhance the department's engagement with the community and further develop relationships. As depicted on the department's social media platforms, the officers have taken great strides in improving community relations by raising money for children's camps through baseball games, attending block parties, collecting money for the Salvation Army during the "Red Kettle Campaign" and participating in "No Shave November" to donate money to local families just to name a few. We also participated in "Coffee with a Cop" at Tim Horton's which allowed the community to informally engage with officers. Officers also completed the most beat patrols and community engagements in the last 20 years. This year, the City of Jamestown as well as the entire nation, witnessed bodycam footage from Officer Mark Conklin during his heroic actions where he saved three people at a fully engulfed house fire.

In 2021, Community Resource Officer Matt Rhinehart began working toward the goal of the Jamestown Police Department becoming a NYS Accredited agency. Officer Rhinehart also played an integral role in the department achieving NYS SWAT team certification. Officer Rhinehart compiled and submitted numerous training records along with re-writing policies and procedures for SWAT and submitted the application to the NYS Department of Criminal Justice Services. The entire team worked tirelessly and spent countless hours to reach the standards that only 26 teams in NYS state attained out of 100 SWAT teams in NYS. The Jamestown Police Department achieved NYS SWAT Team certification in October of this year.

In 2021 the Jamestown Police Department welcomed one new officer, Officer Michael Yezzi of Jamestown. Domestic Violence Officer John Rader and Sergeant Shane Swan retired after 20 years of service. Officer Emma Ward was promoted to Domestic Violence Officer to fill Officer Rader's vacancy and Detective Doug Weaver was promoted to Sergeant to fill Sergeant Swan's vacancy. Other promotions include Officer Kris Schimek to Sergeant, Officer Tim Mason to Sergeant, Officer Steve Bentley to Sergeant and Officer Josh Nickerson to Sergeant.

The Jamestown Metro Drug Task Force (JMTDF) continues to hold accountable those that deal narcotics. This year, the JMTDF had a record number of seizures in both narcotics and firearms. Compared to 2020 seizures, cocaine seized increased by 163%, fentanyl seized increased by 185%, methamphetamine seized increased by 123%, and heroin seized increased by 288% in 2021.

In 2021, the Jamestown Police Department and the Jamestown Board of Education reinstituted the School Resource Officer Program at Jamestown High School which was previously terminated due to the COVID-19 pandemic. The School Resource Officer is now Jeremy Maggio, a 12-year veteran of the Jamestown Police Department.

As always, the Jamestown Police Department will continue to provide the best law enforcement services available to protect the citizens of Jamestown.

— Chief Timothy Jackson

GRANTS

POLICE TRAFFIC SERVICES GRANT:

The Police Traffic Services Grant is awarded annually and provides funding to support seatbelt and occupant restraint enforcement during specified statewide "enforcement waves" and expanded enforcement efforts directed by our department. Pro-active patrols also target aggressive driving, speeding, distracted drivers, cellular phone, and other dangerous driving behaviors. In the 2020-2021 grant, our agency was awarded \$8,000.

OPERATION SAFE STOP:

Operation Safe Stop is a statewide enforcement initiative that is not funded by any grant. Our agency and the Jamestown Public School District participate in this program annually in the spring of each year. The goal of the initiative is to ensure motorists are not passing stopped school busses and cite motorists who violate this law.

GUN INVOLVED VIOLENCE ELIMINATION INITIATIVE – G.I.V.E.:

In 2014, New York launched a new effort called the GIVE (Gun Involved Violence Elimination) Initiative. GIVE builds on the success of Operation IMPACT but focus exclusively on shootings, homicides, and violent crime. The focus of G.I.V.E. for Jamestown is on violent crime. In 2021, the Jamestown Police Department received a grant of \$72,221 to fund G.I.V.E. initiatives, including funding for a crime analyst. GIVE initiatives work to reduce incidents of shootings, aggravated assault, and violent crime by promoting integrated, evidence-based strategies that include four core elements:

- People – GIVE jurisdictions will target the key individuals and groups, also known as the "top offenders," responsible for most gun violence.
- Places – GIVE jurisdictions will target the key locations, or "hot spots," where most violence is occurring.
- Alignment – GIVE jurisdictions will align their efforts and coordinate strategies with other local violence-prevention efforts.
- Engagement – GIVE jurisdictions will engage key stakeholders and the community at large, communicating and coordinating with them to ensure wide-ranging support.

The Chautauqua County G.I.V.E. partnership increases the number of patrols that are conducted jointly with agencies such as the NY State Police, NY State Parole, County Probation, and the City of Jamestown Department of Development (D.O.D.). Officers from these agencies work with JPD Officers to patrol targeted locations, conduct inspectional visits of parolees and probationers, and address emerging crime trends. Numerous high-profile arrests have resulted from the program, as well as an increased ability for the department to identify and track criminals to assist in deploying resources more effectively.

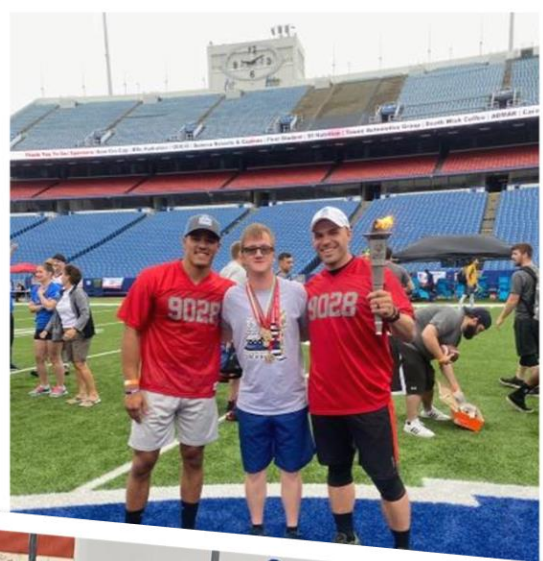

ACCREDITATION

The Jamestown Police Department SWAT Team became a certified SWAT Team in 2021. This makes them one of only 27 currently certified SWAT Teams in New York State.

COMMUNITY ENGAGEMENT EVENTS

While too numerous to recognize all events this year individually, Jamestown Police Department officers completed over 370 community service detail assignments and 1,145 beat walking assignments in 2021.

Fatal Pedestrian / Vehicle Accident

Alexis Catherine Hughan, 15, of Jamestown NY, died as result of being struck by a semi-truck as she crossed W. 6th St. at Washington St. The investigation into the fatal semi-truck / pedestrian accident resulted in charges being filed against the operator of the truck. Randall J. Rolison, 58, of Jamestown, NY, was charged with Driving While Ability Impaired by Drugs and Leaving the scene of a personal injury accident.

On January 18, 2022, Rolison was further arraigned in Chautauqua County Court after a Chautauqua County Grand Jury handed up a three (3) count Indictment for Criminal Possession of a Weapon 2nd Degree. The ongoing investigation revealed that Rolison had three unregistered handguns in a storage unit located in the Town of Busti. With the assistance of the Chautauqua County District Attorney's Office, investigators from the Jamestown Police did obtain a search warrant for the storage unit on January 7, and the warrant was executed on that date with the assistance of the Jamestown Metro Drug Task Force, Chautauqua County Sheriff's Department, Lakewood-Busti Police, and the FBI. During the search, three unregistered handguns were located in the storage unit. The investigation is continuing, and additional charges are possible pending additional follow-up.

Fire Station 3 is located at 422 Newland Avenue. Station 3 was built in 1949 and was dedicated to Firefighter Elmer R. Berry, who was killed in action in Luxembourg during World War II. It serves the south side of the City.

Fire Station 4 serves the east side of the City from its location at the corner of Allen and Buffalo Streets. Station 4 was built in 1930 and to replace the old Station 4 which was at the corner of East Second Street & Kipp Street and also replaced Station 6 at Allen Street near Tiffany Avenue.

Fire Station 5 is located at 195 Fairmount Avenue and serves the west side of the City. This historic building was part of Chief Wilson's station reorganization and relocation plan in 1911. It was built in 1913 to accommodate Engine Co. 5, which was moved from West Fifth Street to this current location. From this station, Walter H. Kastenhuber, Oscar H. Bloom, Raymond W. Allison, and Harold Anderson responded to the Atlantic-Richfield Fire on June 19, 1934. They, along with three civilians were killed as a result of this horrific fire. Many others, including Chief Clifton Beatty were injured.

We also have three Engine Companies that respond to medical emergencies in their assigned districts throughout the city. The Engine Companies are equipped with the same life-saving equipment as Medic 35.

All 911 and non-emergency calls received from the City of Jamestown automatically transfer to the Chautauqua County Sheriff's Department Dispatch Center in Mayville, where trained dispatchers determine the problem, send the appropriate assistance and, if necessary, contact other companies, such as, the City of Jamestown BPU and DPW and National Fuel Gas.

MAINTENANCE DIVISION

Fire Alarm & Maintenance Supervisor (FAMS) Dan Mangione oversees the maintenance of all the Departments vehicles and fire stations, as well as the complete Gamewell system. He is assisted on a regular basis by Lieutenant Bruce Sheldon and a number of other skilled Firefighters that offer their assistance in between answering fire & EMS calls. FAMS Mangione conducts the NFPA fire pump testing on the 7-fire apparatus and coordinates and oversees the required annual NFPA fire hose testing. FAMS Mangione also schedules and reviews annual aerial ladder testing of the two ladder trucks and ensures that necessary repairs are completed as recommended by the testing company if needed. When there is work that is not able to be performed in house (Fire Station), it is scheduled with the City of Jamestown Fleet Maintenance Division or an appropriate outside service.

The Gamewell system is comprised of a combination of over 125 street and Master boxes. These are distributed on 8 circuits that circle and often overlap in the city business districts and neighborhoods. These circuits contain total over 48 miles of alarm wire in the city. FAMS Mangione will refurbish boxes, transfer wires to new poles, and occasionally reroute existing circuits.

The engines feature a Cummins Diesel engine, Allison automatic transmission, and a 2000 GPM pump with a 500-gallon tank. These trucks have been upfitted with tools and equipment by our in-house maintenance dept. They were placed in service this summer.

TRAINING

The one thing that is certain in the life of a firefighter is training. New York State law mandates that a minimum of 100 hours of training per year for each professional firefighter. In every fire station of the city, and at every platoon level, training classes are held often and on a variety of subject. These include: fire behavior, fire protection, personal safety, rescue, equipment training for fire pumps and aerial ladders, hazardous material handling, first aid and CPR, the cause and origin of fire, apparatus maintenance, and sprinklers and fire alarms. Also, many opportunities for training are acquired with post-fire analysis discussions, building surveys, and outreach programs offered by WYNCOSH and the OFPC.

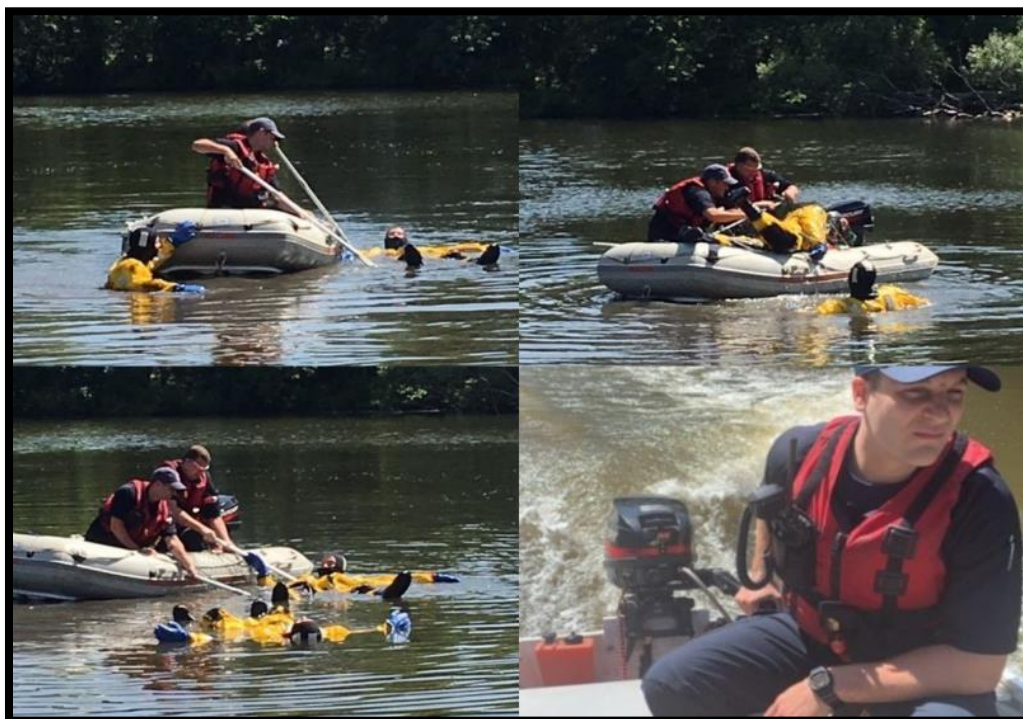

Specialty classes are held from time to time on various types of rescue equipment, along with confined space training hazardous materials, flammable gasses, high and low angle rescue, ice water rescue, emergency vehicle operations, and vehicle extrication.

The year 2021 saw the members receive 5400 hours of training within 685 documented training opportunities. The majority of the department officers received fire officer development training. Three lieutenants received their National Certification in Fire Officer I. Ten Officers received their National Certification in Fire Officer II. And one Officer received National Certification in Fire Officer III. These National Certifications received, meet or exceed New York States best practices policies set forth in NFPA 1021, Professional Qualifications for Fire Officer.

The department's fire prevention officer became certified as a; Fire and Life Safety Educator 1, and two of our fire investigators received certification in Electrical Fire Cause and Origin.

The Fire Department hired four new members in 2021. These four members attended the 11-week Recruit Fire Fighter Training, RFFT, course at the New York State Academy of Fire Science. These four members each received approximately 550 hours of training and obtained National Certification in both Firefighter I and Firefighter II.

The Training Bureaus goal for 2022 is to achieve 100 percent compliance for all members in reaching their 100 hours of training. Also, with the loosening of Covid-19 restrictions that were set in place by NYS, the department is reintroducing Outreach training programs sponsored by OFPC such as; AVET, Strategies and Tactics, and Tactical Simulation courses.

FIRE INVESTIGATION UNIT ANNUAL REPORT

The JFD Fire Investigation Team continues to work in close collaboration with the Jamestown Police Department via a JPD detective who is also a ProBoard certified Fire Investigator. The Team also has a JPD evidence Technician who assists with the collection and proper handling of fire scene evidence. Due to the COVID19 pandemic, most ancillary training was postponed or cancelled for Team members; however, the JFD Fire Investigation Team was able to maintain all required levels of continuing education and training via online virtual courses and presentations. Maintaining compliance with current NFPA 921 and 1033 requirements is of the upmost priority for all JFD Fire Investigators. These annual requirements include a minimum of 12 hours tested training as well as performance of at least 12 hours of actual field investigation in order to maintain Pro-Board and NYS certifications.

The JFD Fire Investigation Team performs fire cause and origin determinations any time a fire is reported within the City of Jamestown. These investigations are mandated by NYS laws and regulations. Often times, JFD fire investigators will work in coordination with other agencies such as Law Enforcement, Public Utilities, Private Investigators, Insurance Adjusters and Investigators, Medical Professionals, Scientists and other field experts, Building Contractors, as well as the Chautauqua County District Attorney's Office.

On the average, a fire investigator commits more than four (4) hours of time on each case. Most cases will include hands-on observation of the fire scene, interviewing people affected by the fire, consultation with other agencies, and fully document the case. Documentation includes, but is not limited to: photographic evidence of the fire, author a narrative explaining fire cause and origin determination, drawing, maps and schematics of the fire scene, and researching property records, deeds, property value, insurance policies, liens, taxes, and other debts.
