

Invitation to Bid

To Whom It May Concern:

JURA 19A Program will be accepting bids for the work described in the Bid/spec form included with this document. Bids must be received no later than 4:00pm on the date stated on form. Bids received after this date and time will not be accepted. If you are interested in submitting a bid, it should be hand delivered to the Jamestown Department of Development. Located on the fourth floor of the City of Jamestown Municipal Building. Located at 200 E Third Street, or Emailed to the 19A Program Manager.

You may request a site meeting and/or walkthrough prior to bidding. You will be expected to bring your own inspection equipment, such as ladders to inspect roofs. Contact program manager by phone or Email to make an appointment.

Bids must be prepared and submitted in a sealed envelope using the forms provided and must be typed or printed and then signed in ink. All bids received by the deadline date and time will be reviewed by the 19A Program Manager. All bids must include all requested work items, conform to the project standards/ specifications and be responsive, accurate and cost reasonable. If bidding on multiple jobs of the same type (eg., Interior clean outs) and offer any type of discount on winning multiple bids, please include as a percentage on your bid forms. The 19A Program Manager will select the contractor to perform all construction work required and the contract will be executed between the 19A Program Manager and the winning contractor.

You are reminded to bid only on those items designated on the work write up form. In the event the owner should request additional work or deletion of any work from the write up, or should you feel additional work is required, list those items with costs on a separate piece of paper or letterhead stationery. All additional items will be considered separately from the base bid and any consideration of any changes will be negotiated with the owner after the bid opening.

JURA has the right to reject any and all bids at their sole discretion. Should you have any questions or concerns about any of the items on the work write up, please contact the 19A Program Manager for clarification prior to bidding. You are reminded that your bid should be inclusive of all taxes, fees and permits if applicable.

Upon selection of the winning contractor, the 19A Program Manager will send a Bid Award Notice to the selected contractor. The bid award notice will advise the selected contractor of the date, time and location of the pre-construction conference that must take place before any work can begin. Upon satisfactory completion of the pre-construction conference, the 19A Program Manager will issue a "Notice to Proceed", which must be executed by the selected contractor as well.

Thank you for your consideration of this Invitation to Bid,

Sincerely,

Jay Schultz
