APPENDIX A HEALTH AND WELLNESS PROGRAM

The Health and Wellness Program

The Health and Wellness Program is a voluntary wellness program offered to the employees and retirees of the City of Jamestown. It is a three (3) step program.

For the calendar year 2016 if an employee/retiree participates in this three-step program the employee/retiree will pay 19% of the plan premium for the calendar year. If an employee/retiree does not participate and/or does not complete the required steps within the established time frame, the employee/retiree will pay 26% of the plan premium.

In calendar year 2017 if an employee/retiree participates in the program the employee/retiree will pay 20% of the plan premium for the calendar year. If an employee/retiree does not participate and/or does not complete the required steps within the established time frame, the employee/retiree will pay 27% of the plan premium.

The adjustment for non-participation/non-compliance will occur as of April 1st.

The first two steps of The Health and Wellness Program are:

Step 1 – Health Screening – height, weight, blood pressure, cholesterol and glucose

Employees/retirees may attend a Health Screening event (date and time to be determined) at the Municipal Building. Once a date and time has been selected, the employee/retiree must contact the City at 716-483-7610 to schedule a time.

OR

Employees/retirees may use the Physician Verification Form. Employees/retirees will need to schedule an appointment with their primary care physician to have the physician fill out the form. If an employee/retiree has seen their primary care physician between July 1st and January 1st, they do not need to schedule a new appointment. The employee/retiree may take the Physician Verification Form to the Dr.'s office and have the physician fill in the information required using the information they have on file from the visit in the last six months.

The employee/retiree is responsible to mail the original copy of the form to the address provided on the form to BlueCross BlueShield (BCBS).

Submitting the original form or a copy to the City will not satisfy this step.

PLEASE KEEP A COPY FOR YOUR RECORDS.

All of the information on the Physician Verification Form must be provided.

The health screening must be completed by March 31st. The form must be postmarked by March 31st.

Step 2 – Health Assessment

Please use the enclosed instructions to access the Health Assessment on line at bcbswny.com. The employee/retiree will need to register as a member and complete the Health Assessment. The Health Assessment is a series of multiple choice questions about an individual's health. If an employee/retiree needs help with the Health Assessment an appointment can be scheduled with a City representative by calling (716) 483-7610. The City representative will help the employee/retiree complete the assessment. The employee/retiree may also call the number on the back of their BCBS identification card and a customer service representative will be happy to assist.

The Health Assessment will need to be completed by March 31st.

If the employee/retiree does not complete both of these steps the employee/retiree will begin paying the increased plan premium as of April 1st.

After completing the first two steps of The Health and Wellness Program, the employee/retiree will be contacted by BCBS to inform them if they must complete the third and final step of Health and Wellness Program, Health Coaching. If the employee/retiree does have to participate in this step a BCBS Health Coach will contact you. Please see the enclosed information on Health Coaching.

You will have until July 31st to complete the Health Coaching.

If an employee/retiree is required to complete the third step and fails to do so the employee/retiree will begin paying the increased premium as of August 1st.
